

## **ANNUAL REPORT 2020-21**

The school was closed on 21-March-2020. Immediately first round of online classes started for classes X and XII from 06-April-2020. Online sessions for classes VI to IX commenced later. Microsoft Teams is being used to take the sessions after having used Zoom for the first 20 days. Teachers engaged students using various aids such as screen sharing, making PowerPoint presentations, videos and making notes on Word Document etc. Apart from videos and notes, primary teachers (Classes I to V) shared worksheets on a daily basis positively engaging the students. Students' progress was monitored by conducting quizzes and tests on Saturdays and Sundays using Google Forms, WhatsApp and other media. Extra-curricular activities such as music, art & craft, value education, general knowledge, physical training and OSLA were also conducted online using various audio-visual aids.
